Elevated Deck · 5549 S Lansing Ct

Prepared for Rachel Chiu · 5549 S Lansing Ct, Englewood, CO 80111 · October 19, 2026

CHECK OR ACH	FINANCED	MONTHLY
$13,000	**$13,978**	**$162**
	no money down	6.99% · 10 years

A new, larger deck off your back door: 8' along the house and 12' out, 10' above the backyard, in place of the existing one. Framed in TrueFrame lumber at 16" on center on a doubled 4x10 Douglas fir flush beam across the front and two 6x6 Douglas fir #1 posts with knee braces, on Diamond Pier foundations, with joist tape on every member. TimberTech Reserve in Driftwood with a single picture frame on the three open sides and CONCEALoc hidden fasteners, so no screw heads show. TimberTech Fulton rail in Black, steel posts set inside the rim. Two steel posts that double as the front corner posts of the railing, with house anchors, to hang and tension your square shade sail over the deck (you supply the sail). The house attachment is engineered.

AT A GLANCE

From the yard

Isometric from the open corner

Deck	92 SF · 10'-0" above grade · 7'-11 1/8" x 11'-6 9/16" over fascia
Decking	TimberTech Reserve Driftwood · CONCEALoc fasteners
Rail	TimberTech Fulton, Black, 36" · 31 LF
Structure	2x10 pressure-treated frame at 16" on centre, a doubled 4x10 Douglas fir beam; 2 x 6x6 Douglas fir #1 with 4x4 knee braces on DP-50/50
Design load	50 psf (40 psf live governs), stamped by a Colorado engineer

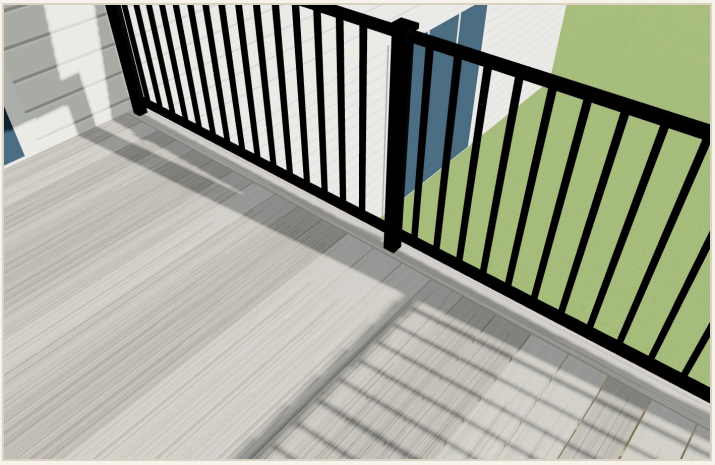

WHAT IT IS included in the price

ELEMENT	SELECTION
Decking	TimberTech Composite Reserve, Driftwood. Grooved boards, 3/16" gaps, matching fascia. Class C, not WUI; 30-yr product / 30-yr fade & stain.
