Vintage Collection®

This collection captures the look of sought-after premium hardwoods – with a refined wire-brushed finish and multitonal color blending featuring highlights and lowlights. The vintage collection is available in multi-width sizes to further expand on design potential.

Made of high-performance and recycled polymers (and absolutely no wood fibers), it's highly resistant to moisture damage like mold and mildew, and it won't splinter, crack, peel, or rot.

FEATURES

- **Top-Rated Fire Resistance** Ignition Resistant designation, Class A Flame Spread Rating and WUI Compliance Flame Spread Rating is the highest available for decking.
- **Real Wood Look** Detailed grain patterns and authentic finishes
- **Low Maintenance** Maintain beauty without frequent upkeep
- **Sustainable** Made in the USA from up to 65% recycled material, with a lower carbon footprint than wood
- **Longevity** 50-Year Fade & Stain Warranty and Lifetime Limited Product Warranty
- **Cooler under foot** Better for bare feet and paws, it stays up to 30° cooler to the touch** and features up to 40% better traction than competitive products.

COLORS

Ignition Resistant | Class A Flame Spread Rating | WUI Compliant

Weathered Teak® | Coastline®* | Cypress® | Mahogany | English Walnut® | Dark Hickory

*Available in MAX **Although TimberTech Advanced PVC decking is cooler to the touch than many other composite deck boards, all decking products will get hot in the sun. Additionally, the darker the decking color, the hotter it will feel. For hotter climates, consider choosing a lighter color.
